Le Passé Multimedia is intended primarily for use in classrooms, language labs, libraries as well as home use.

It can be purchased as a Single Station license with options of purchasing site licenses based on numbers of stations.

\$ 59.99

Gold Edition and Le Passé Multimedia: Institutions possessing site licenses have the option of purchasing student licenses whereby students can install and use the software off site on laptops, home computers, etc.

Institutions purchasing Gold Edition and/or Le Passé Multimedia may request a **custom order** which may include a **second title page showing institution logo, school license and student expectations**. Also, a **different configuration for storing student test results** can be requested. This may be of significance in the case of networks. The current configuration (as requested by teachers) is the a drive so that students can store results on floppy drives.
