

# French, Bit By Bit: Le Passé Multimedia

is a production that teaches you French as you interact with images, voices, explanations, questions and exercises. You learn the forms and uses of the complicated **past tenses** of French as they are presented in 30 electronic books. Each book contains a tutorial with explanations, tables, exercises and optional tests. A talking illustrated French-English dictionary allows learners to hear words and expressions by clicking on them. Records of test scores are automatically stored for teacher.

30 electronic books in the program include:

1. passé composé of –ER verbs
2. passé composé of –RE verbs
3. passé composé of –IR verbs
4. expressions associated with past tenses 1
5. expressions associated with past tenses 2
6. participe passé 1
